President's Report

The **September meeting was another excellent meeting and Show**. Again, a good benching of quality showbench plants and seedlings. **Congratulations to Nat Cicciari** for his well flowered **Grand Champion Hypno Beauty 'Strawberries & Cream'**. Thanks to all our Judges for their service to the Club

At the **September Meeting** we also had another **excellent and professional talk by Scott Barrie of Barrita Orchids**. I'm sure all the members learnt a great deal, thanks Scott.

As the year draws to a close our **Guest Speaker for October** will be **Debra Milne from Neutrog** talking about some new products. (may even have some samples.)

Oh well, back to dividing and potting up.

See you at the October meeting.

Secretary's Report

Greetings All,

I hope everyone is well after what was a very busy year with the orchid shows. We have been so lucky here in Sydney this year and it showed with the quality of the show plants.

Thanks to all those members who contributed to this Spring show by bringing in your plants. Also thanks to those members that contributed to the supper.

A special thank must go to Christos Patsalou who also **contributed to the supper with the mini pies etc**. I would like to mention that he does this on a regular basis at his own expense. Many thanks again Christos for your generosity.

Keith Wallace has also asked me to pass onto all members who have sent many condolences for his recent loss of his mother. Thank you to all members for their compassion during Keith and his family's time of need.

Just a friendly reminder that the fees for 2012 are due NOW. Please see me at the October meeting to pay these fees.

Look forward to seeing you at the meeting.

Cheers

Pete

It was also **good to see Mal at the meeting** and feeling much better. **The President also extended a much needed thank you to all members who assisted at both shows. It is this team work that makes them such a success.**
